- * Will complete Pre-course work in course systems as required before the start of class.

- * Will notify VetsinTech and instructor via email before or during any absence occurs

- * Will contribute significantly to the program, including being present during scheduled class hours, participate in remote communications and/or study sessions as scheduled.

- * Will work with the rest of the class to allow for all participants to learn and grow.

I Frank Sellhausen have read and fully agree to this Letter of Commitment and understand that VetsinTech may place a financial burden on me should I fail to complete the course.
